recommended. 0 of 2 people found the following review helpful. Five Stars
By NicKGood read, I enjoyed it. 0 of 0 people found the following review helpful.
1602 witch hunter Angela
By Jarred Blackburni thought it was okay but a little confusing to me not really to my taste
In the altered realms of BATTLEWORLD, Angela and Sera are WITCH HUNTERS, the scourges of King James' England, 1602. In a land beset by magic and monstrosity, they seek a new and seductive evil-not witchbreed, but deal-making FAUSTIANS, who bargain with ancient creatures for unnatural power! Moral ambiguity? Fancy allusions? Marguerite making the most of that English degree?
