If I am going to make a purchase like this I would like to have an idea about what I am getting. I bought one here is what I got: X-Men 192, Action Comics 711, Pixy Junket 6, Youngblood 7, Wanted 2, Crimson 4, L.E.G.I.O.N. 7, WildCats 30, Prototype 9, Secret Avengers 19, Dead@17 3, Action Comics 514, Reno Jones, Tomahawk 7, Grim Jack 44, Supreme 10, Legend of the Shield 3, Wolverine 45, Protectors 5, Batman 661, Twilight Zone 9, Geriatric Gangrene Gerbils 1, DV8 8, Poison Elves 5, Weird Science 11 Sigil 4. Nothing spectacular but not a total rip off either. Most of the books were in very fine condition, which was nice because I have seen some dealers send books with books in very poor condition in their grab bags. 0 of 0 people found the following review helpful.
