Johnny Ryan : A New Low before purchasing it in order to gage whether or not it would be worth my time, and all praised A New Low:

0 of 0 people found the following review helpful. Five Stars By John Charles Awesome collection of an awesome comic artist's work at Vice! If you love Johnny, buy the dumb thing already!

Collects 10+ years of transgressive cartoons originally featured in Vice magazine. For more than a decade, Johnny Ryan has been filling the back page of the glossy, national Vice magazine with some of the most transgressively hilarious and politically incorrect comics, ever. Ryan skewers Bill Cosby, Two and a Half Men, Wall Street, and so

much more that can't be so easily categorized (such as *Erotic Art Collecting Squirrel*, or *Whorenado*). *A New Low* collects this impressive body of work, as well as several other surprises. Full-color illustrations throughout.

About the Author Johnny Ryan was born in Boston, MA, and lives in Los Angeles, CA. He is the co-creator and co-executive producer of the Nickelodeon TV series *Pig Boat Banana Cricket*. Jesse Pearson edited *Vice* magazine from 2002 until 2010.
