**Yoshitoki Oima : A Silent Voice 3** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Silent Voice 3:

5 of 5 people found the following review helpful. Blossoming ForgivenessBy l.d. rothA Silent Voice is one of the most resonant and heart-warming stories of my time. I am so glad that this story was serialized and I would share it with every one I knew if they were into manga. I recommend this series highly, as Shoya grows so does Shoko and I'm so excited to see where this blossoming relationship takes them. It will be slow-going but completely worth it. I love the depth given to both Shoko and Shoya through the art style. It will take a lot for them to find each other emotionally

as they each have to overcome seemingly insurmountable odds. Please support this series! 1 of 1 people found the following review helpful. Always good. By Jude ~4/5 This volume explores more of Shoya and Shoko's past, with the reintroduction of two of their past classmates. Shoya goes looking when Shoko asks, and it's all brought on by his awkward inability to be honest and upfront with her. Shoko is reunited with the one girl who was nice to her, but who transferred out before any of the real bad stuff happened. And this forms a real friendship between them, and a surprise for Shoya, as he finds himself feeling left out. He wants to be the one at her side, even if he denies it. Then Shoya runs into the girl that was at his side in school, just as mean as he was, goading him on. And while Shoya is trying to move past that, be better, she's just the same as she was then. Then there's the ending, and that's just bad. Poor Shoko, and dumb Shoya. I can't wait for the next one. [More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.] 0 of 0 people found the following review helpful. This Manga is for You. By Lance. I've done my best to keep this a spoiler-free, short review -- the equivalent of the blurb on a book's back cover. A Silent Voice is the translation of the Japanese manga series (romaji: Koe no Katachi). The subject matter involves a deaf student, and some idiosyncrasies used to convey deaf communication translated extremely well to English written text. At some points it is as if you can hear what deaf people experience. You don't need to like manga to appreciate A Silent Voice, but you do need to read the books in order. You can expect romantic tension and strong emotional connections with the characters. The story concerns a protagonist who made some poor decisions as a child (what child doesn't make poor decisions?) that had repercussions, even if he doesn't fully realize their weight. If you decide to give it a shot, you'll be glad you checked it out, and sad when it's over. If you love manga, or if you've never read manga; if you love emotional moments in movies, or if you want to begin to understand the emotional side of yourself; if you've been bullied, or if you've been the bully: this manga series is for you. A Silent Voice 1 A Silent Voice 2 A Silent Voice 3 A Silent Voice 4 A Silent Voice 5 A Silent Voice 6 A Silent Voice 7

**ARE YOU AFRAID OF HER?** Shoya decided to do everything he can to make up for how terribly he treated Shoko, his former classmate who can't hear. But more than the challenge of learning to communicate, it means facing a past he thought he'd left behind forever. Now a reunion with old friends will transform Shoya, and his relationship with Shoko.
