Grant Morrison : Absolute Batman Robin: Batman Reborn before purchasing it in order to gage whether or not it would be worth my time, and all praised Absolute Batman Robin: Batman Reborn:

1 of 1 people found the following review helpful. A "Robin The Boy Wonder" for the 21st century! By Brad Barnes There was an "interruption" in Bruce Wayne being the Batman, he was believed to be dead, and Dick Grayson, the former Boy Wonder turned into Nightwing, took over as Batman. Bruce Wayne's recently discovered son by Talia Al Ghul; Damian; appeared on his doorstep. Damian was 10 years old, raised by the League of Assassins, and had tried to kill Dick out of a jealous rage. Now joined in grief, Damian agrees to continue to train as Robin under Dick's

guidance, but there's plenty of tension between these two Caped Crusaders. Grant Morrison uses this premise to deliver the most dynamic version of Robin The Boy Wonder in over 50 years! Jason Todd? Tim Drake? Poseurs! Why Robin has persisted in Batman mythology is that Robin was always "in the moment" when action struck, while Batman was always trying to "strike terror": they were a perfect team, particularly in the 1940s stories by Bill Finger. Damian Wayne has a bad attitude and keeps putting Dick down, while Dick is still traumatized that Bruce is gone and visibly reluctant to take up his mantle. It's a tough situation for both of them, but with a little help from Alfred, a little nudge from Commissioner Gordon, and a lot of villains doing nasty things to innocent people, this brand new Dynamic Duo soon become a remarkable team! It is actually a letdown when Bruce returns at the end of this edition because the dangerous chemistry between Dick and Damian is lost on the page. I consider these stories to be the highlight of Grant Morrison's long run on Batman, a surprisingly empathic take on Dick Grayson and an increasingly engaged depiction of Damian, before everything returns to the status quo. Every Batman fan should have this Absolute edition in their collection!

2 of 2 people found the following review helpful. some of the best stories too
By Jeff
The middle section of Grant Morrison's stellar run on Batman, some of the best stories too. A highlight being the take on Jason Todd as a villain, with a very interesting spin on the Red Hood costume. The art changes throughout the book a little too often for my taste and the art towards the end of the book was jarring to me at first. However I have come to appreciate the art throughout the book in its own way.

This is my favorite comic series of all time so this book was a must have. It's huge, heavy, and comes in a box cover with nice details to it. The pages are printed beautifully and the extra info in the back about the characters and story make it even better. An absolute must have for any fan.

A NEW YORK TIMES BESTSELLER DC Comics Absolute Editions set the standard for the highest quality, most in-depth presentation of classic graphic novels. Each oversized volume is presented in a slipcase and includes unique additional material making each Absolute Edition a cornerstone of any serious comic collection. Set in the wake of Bruce Wayne's passing, a new Dynamic Duo, made up of Dick Grayson and Batman's son Damian, hits the streets to investigate Bruce's mysterious death. Absolute Batman Robin: Batman Reborn features the Eisner Award-winning team of Grant Morrison and Frank Quietly (ALL STAR SUPERMAN), as well as the brilliant artwork of Frazier Irving, Phillip Tan and Cameron Stewart. This Absolute volume collects Batman Robin issues #1-16, Bruce Wayne The Return #1 as well as character sketches, a cover gallery and artist and writer commentary.

"Clever." --Entertainment Weekly
"A fresh, yet iconic, take on the character is shining forth in Gotham and one the comic shelves . . . Brilliant [and] beautiful." --Ain't It Cool News
"Morrison . . . [has] the magic touch." --MTV Splash Page
About the Author
Writer Grant Morrison is known for his innovative work on comics from the graphic novel ARKHAM ASYLUM to acclaimed runs on ANIMAL MAN and DOOM PATROL, as well as his subversive creator-owned titles such as THE INVISIBLES, SEAGUY and WE3. He has also written best-selling runs on JLA, SEVEN SOLDIERS OF VICTORY and New X-Men and recently helped to reinvent the DC Universe in ALLSTAR SUPERMAN, 52 and BATMAN.
