Jeph Loeb : Absolute Batman: The Long Halloween before purchasing it in order to gage whether or not it would be worth my time, and all praised Absolute Batman: The Long Halloween:

The tonal approach (not bright and abundant colors, even lack of colors at key moments) is adding to the grim nature of this Gotham tragedy. Now I know how and why Nolan chose the realistic characters approach for his movies.The issue itself is quite impressive, I noticed two very

small paper defects within that actually make it unique. A book every Batman fan can be proud to possess. 0 of 0 people found the following review helpful. Five Stars By Python A great looking book. 39 of 40 people found the following review helpful. A video review By Sebastian [[VIDEOID:moRINK6ODD2KCK]] One of many absolute edition reviews I made, largely so you can get a feel for the look of the book as well as its bonus features. My vids are mostly about the particular addition, with minimal critique of the story/art itself.

Don't miss the latest ABSOLUTE EDITION from DC, collecting the landmark, award-winning 13-issue miniseries written by Jeph Loeb (BATMAN: HUSH) with art by Tim Sale (SUPERMAN FOR ALL SEASONS)! As the Dark Knight struggles to find an elusive, mysterious serial killer who strikes only on holidays, he discovers no shortage of suspects in a Gotham City beset by mobsters and freakish costumed criminals, any one of whom could be his prey. This volume includes a host of extras, including an interview with Loeb and Sale, a section on the LONG HALLOWEEN action figure line, and a look at the series proposal, plus sketches by Sale! Also, this edition will feature a 4-page sequence cut from the original miniseries and previously released only in script/breakdown format!

From Booklist Loeb produces and writes for the hit TV series Heroes; Sale paints the prophetic paintings that figure prominently in it. Before their small-screen work, they collaborated on comic books that viewed with imaginative new eyes the early exploits of iconic superheroes. This ambitious Batman caper ran for 13 months, from Halloween 1993 to Halloween 1994. In it, the Caped Crusader joins with police captain Jim Gordon and district attorney Harvey Dent to get the goods on Mob boss Carmine Falcone. Meanwhile, a mysterious serial killer targets members of Falcone's gang. Contrasting with that Godfather-inspired story line are early appearances of such colorfully garbed Batman adversaries as the Joker and Catwoman. Long Halloween exemplifies the creative team's hallmarks: Loeb's intricate plotting and gift for updating the venerable characters while keeping true to their long-standing portrayals, and Sale's expressive illustration, with its gauntly elegant figures and attractively designed compositions. Here accorded DC's Absolute treatment hardcover and board slipcase, accompanying creator interviews, original proposal, and early sketches Sale's already impressive artwork becomes genuinely spectacular at oversize scale. Flagg, Gordon About the Author Jeph Loeb is an Emmy Award-nominated and Eisner Award-winning writer/producer living in Los Angeles. In television, his many credits include Smallville, Lost, and Heroes, and in film, Teen Wolf and Commando. In comics, he is best known for his work with the supremely talented artist and partner-in-crime Tim Sale on Batman: The Long Halloween, Superman for All Seasons, and Catwoman: When in Rome for DC as well as Daredevil Yellow, Spider-Man Blue, and Hulk Gray for Marvel. Tim Sale is the Eisner Award-winning artist of Batman: The Long Halloween, Superman for All Seasons, Hulk: Gray, and more. His art was prominently featured on the hit NBC series Heroes.
