Geoff Johns : Absolute Blackest Night before purchasing it in order to gauge whether or not it would be worth my time, and all praised Absolute Blackest Night:

3 of 3 people found the following review helpful. loved it! By Ralph Ting This is the ABSOLUTE best way to read Blackest Night! Geoff Johns has created a highly anticipated zombie story that does not disappoint! Pros:-The story is an absolute blockbuster! There's tons of things happening all over the universe and much more here on Earth-The characters are interesting. Aside from GL and Flash, the main characters are not as widely known making it a fun and new read. But all the popular heroes still play big roles! Cons:-Some context may be required as the story builds off a

lot of history within the DC universe-If you're not a fan of GL or familiar with its mythos, it may be a little confusing at firstAll in all, this was a great read combined with beautiful eyegasms.0 of 0 people found the following review helpful.
