Cute series!By CarrieI like this series, but it isn't my favorite. The plot line is simple, and there aren't too many twists or turns, but it still keeps you engaged. I don't recommend this for people under the age of 13 because of its many sexual situations. There's a whole plot arc

dedicated to intercourse so, I don't think it'd be right for someone young to read it. However, it does make for some hilarious turns of events and funny situations. This is a really cute series! Sometimes it's just a little awkward to read. Over all, I believe this book does meet my expectations, just because it is so humorous at times! This series isn't really like any other series I've read, and I discovered this about one year ago. 0 of 0 people found the following review helpful. Absolutely Awesome! By Boo4Bugs I've been a fan of this manga since I read the first volume, and it's only gotten better! A great romantic comedy any fan would like, I myself would love it if they made an anime. So, if you've read the first three volumes, then you must get this one! ^_^

While out on a date with Night, Riiko meets a boy who looks like her first crush from elementary school--Toshiki Murakami. Even though she's with Night, Toshiki seizes the opportunity to steal a kiss from Riiko.

About the Author A manga artist for over ten years, Watase's debut came in 1989 at the age of 18 when her short story PAJAMA DE OJAMA (An Intrusion in Pajamas) appeared in the monthly Shjo Comic manga anthology. Since then she has written and drawn some 50 volumes worth of different short stories and long-running manga series, including the fantastically popular FUSHIGI YGI, also available in English from VIZ. Her works have provided the basis for two television series, an OVA series, anime soundtrack CDs, and a string of novels.
