The Absolute Preacher edition is definitely hands down the best of the several different titles of Absolute editions that I own. The box art by Glenn Fabry instantly grabs you. Once the seal is broken and the book is removed your rewarded with an inlayed beautiful faux leather bound book collecting issues 1 - 26. Bonus features include the Gone to Texas letters pages from issues 1 - 26, the pin ups from issue 50, and the full script from issue 11. Also features a new forward by Seth Rogen and Evan Goldberg. Don't miss this edition if your a fan of Preacher or looking to join the Congregation! 2 of 2 people found the following review helpful. best comic i own By Doug N just recieved this in the mail yesterday and it is by far the

An absolutely amazing collection. The otter case itself is coolBy Heart of BladesAn absolutely amazing collection. The otter case itself is cool, but it's the book itself that's really breathtaking in it's detail. Highly recommended for any fan of Preacher. And for new readers, this is the way to enjoy it for the first time as well

Garth Ennis and Steve Dillon's groundbreaking Vertigo series is finally given the Absolute Edition treatment with ABSOLUTE PREACHER VOL. 1! Merging with a bizarre spiritual force called Genesis, Texan Preacher Jesse Custer becomes completely disillusioned with the beliefs that he had dedicated his entire life to. Now possessing the power of "The Word," an ability to make people do whatever he utters, Custer begins a violent and riotous journey across the country. Joined by his gun-toting girlfriend Tulip and the hard drinking Irish vampire Cassidy, the Preacher loses faith in both man and God as he witnesses dark atrocities and improbable calamities during his exploration of America. Collects issues #1-26 of PREACHER in an oversized Absolute Edition format, complete with a new slipcase and bonus material!
