Neil Gaiman : Absolute Sandman Volume Five before purchasing it in order to gage whether or not it would be worth my time, and all praised Absolute Sandman Volume Five:

0 of 0 people found the following review helpful. Amazing production values on this edition By Alan Andrews Amazing production values on this edition. It's Sandman, you know it's good. My only critique is that the 10 graphic novels are easier to handle from a weight/size issue, but these are stunning. 0 of 0 people found the following review helpful. It's Neil, just get it already. By Jessica Hewitt It's Neil Gaiman. Fantastic storyteller, I had a crush on Morpheus and wanted to hang out with Death. I really hope they don't make a movie out of this particular series

because no one could ever come close to matching his genius. 1 of 1 people found the following review helpful.
BeautifulBy Paul A. WillisThe collection again gives fans and newbies a chance to enter Gaiman's fantastic worlds and savour the power and delicacy. I especially enjoyed the overwhelmingly languid and ferocious painting of the Japanese mini novel and the tales of each of the family. The size and vivid print quality make a difference in the enjoyment.

THE ABSOLUTE SANDMAN BOOK FIVE is the latest oversized deluxe slipcased hardcover collecting the classic Sandman stories written by Neil GaimanTHE SANDMAN: ENDLESS NIGHTS reveals the legend of The Endless, a family of magical and mythical beings who exist and interact in the real world. Born at the beginning of time, Destiny, Death, Dream, Desire, Despair, Delirium and Destruction are seven brothers and sisters. These seven peculiar and powerful siblings each reveal more about their true being as they star in their own tales of curiosity and wonder.THE SANDMAN: THE DREAM HUNTERS appears in two versions here: First, as a prose novella by Gaiman with illustrations by Yoshitaka Amano, and then in a comics version adapted by Gaiman's frequent collaborator P. Craig Russell (THE SANDMAN, FABLES: THE LAST CASTLE). In this tale, a humble young monk and a magical, shape-changing fox find themselves romantically drawn together. As their love blooms, the fox learns of a devilish plot by a group of demons and a Japanese emperor to steal the monk's life. With the aid of Morpheus, the fox must use all her cunning to foil this evil scheme and save the man that she loves.
