Jeph Loeb : Absolute Superman/Batman Vol. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Absolute Superman/Batman Vol. 1:

11 of 12 people found the following review helpful. AwesomeBy TheIntruderThis book contains two great recent Superman/Batman stories. In my opinion the stories contained here are far better than what is going to be in vol 2. "Historically" it is also quite important as it brings the real Supergirl Kara Zor-El back into the continuity.I had some doubts that Ed McGuinness's art would look nice in this oversized volume, but I was wrong. It looks fantastic. Same

with Michael Turner of course whose art has been seen in absolute sized books before. 0 of 0 people found the following review helpful. Four Stars By Ramiro G Ruiz Fun story; nice format. 0 of 0 people found the following review helpful. Better than the movies. By Gary Maxwell Absolute Superman/ Batman was a great read. Just started reading graphic novels again after seeing Batman/Superman public enemies and Apocalypse. The novel has much detail and better understanding into the relationship of two greatest superhero heroes.

The iconic super-heroes unite when longtime Superman enemy Lex Luthor, now president of the United States, accuses Superman of a crime against humanity, and assembles a top-secret team of powerhouse heroes to bring Superman in -- dead or alive. And in the second story arc, prepare for the arrival of Supergirl! Batman has discovered something strange on the bottom of Gotham Bay, which leads him to a mysterious and powerful teenaged girl bent on destroying Gotham City! What's her connection to Superman? Why does Wonder Woman want to hide her from the outside world? And will Darkseid succeed in recruiting her into doing his bidding?

"Gorgeous...this action packed, nostalgic jaunt [is]...a real treat for any lover of the superhero genre of comics." The Washington Times "Two of the most popular icons of superhero comics are paired in this monthly title featuring epic story lines and slick, glamour art.... Fans of DC Comics' classic characters will find much to love here." The Atlanta Journal Constitution on SUPERMAN/BATMAN About the Author Jeph Loeb is an Emmy award nominated and Eisner award winning writer/producer living in Los Angeles.
