Absolute V for VendettaBy PsyckersThis is a comprehensive and utterly compelling collection of the classic graphic novel.It is well published in a sturdy hard cover which should give us years of enjoyment.It is definitely the must have for any serious comic novel collector.0 of 0 people found the following review helpful. Awesome bookBy Daniel Caceiro AversariLoved the book.The covert art is awesome, and

also the contents. Already had the older versions, not in hardcover and this is just a whole more complete collection. 0 of 1 people found the following review helpful. Great packaging presentation By Stefan C. Dimauro A must for any fans of the comics/graphic novels of "V". Great packaging presentation. Nicely done. Price point was not too bad.

Alan Moore and David Lloyd's powerful epic about loss of freedom and individuality gets the Absolute treatment for the first time in this new, oversized slipcase edition! Taking place in a totalitarian England following a devastating war that changed the face of the planet, V FOR VENDETTA was the inspiration for the hit 2005 movie starring Natalie Portman and Hugo Weaving. This amazing graphic novel spotlights a mysterious man in a white porcelain mask and his young protégé as they fight political oppressors through terrorism and seemingly absurd acts. It's a gripping tale of the blurred lines between ideological good and evil and details a world where political and personal freedoms are non-existent. This new edition features the improved production values and coloring from the 2005 hardcover in larger format for optimum enjoyment of the stunning art and story. Includes the original 10 issues plus never before reprinted bridging pages which are newly colored plus intros by Lloyd and Moore to the series plus Moore's extended history of its creation "Behind the Painted Smile" and a newly expanded sketchbook section by David Lloyd.

"An influential fantasy author for almost a quarter century." "Densely packed, thematically vibrant and philosophically challenging work that defies easy categorization." "In works as varied as Watchmen, Swamp Thing and V For Vendetta, Moore revitalized comic books' potential by fashioning complex stories out of deft action, dizzying allusions, and dazzling artwork." About the Author Alan Moore is one of the most respected and admired writers in comics today, with a host of industry awards and accolades. His credits include The Ballad of Halo Jones, Captain Britain, The League of Extraordinary Gentlemen, Lost Girls, Promethea, Swamp Thing, Tom Strong, V For Vendetta and Watchmen.
