(My wife is a biiigggg Adventure Time Fan)Entertaining story, especially if you are a big Adventure Time Fan. (Story is primarily focused around a Jake and Marceline adventure)Adds a nice chunk

of character backstory, however I would have purchased it for the cover alone. The Cover Design is absolutely gorgeous. I wonder if I can find it as a print or wall scroll. Seriously....Dat Cover. mmmmm0 of 0 people found the following review helpful. GREAT BOOKBy Paola PineroI LOVE THIS BOOK!!! Kate did an amazing job! I almost liked it even more than Marceline The Scream Queens XD but that's because idk it was quite more emotional... and I LOVE the chemistry between Jake Marcy now :D I loved seeing them on an adventure it was fun PLUS this book is funny too just like Marceline The Scream Queens XD if you're a Marceline fan or just Adventure Time fan in general you will LOVE this1 of 1 people found the following review helpful. It's called seeing red, but there's no colorBy K. JonesI really liked the insight we get into Marcy's character, however "Marceline and the Scream Queens" gives us a much better look. If you're collecting the Adventure Time comics or just think Marceline is an interesting character then you'd definitely enjoy this.
