He's a ninja! And now, his earliest exploits are collected in one mighty omnibus volume! Featuring stories from the very beginnings of the Dr. McNinja webcomic, This book offers a hefty dose of science, action, and outrageous comedy. This omnibus presents more than five hundred pages of hilarious strips, some of them long out of print. | File size: 62.Mb

**Christopher Hastings : Adventures of Dr. McNinja Omnibus (The Adventures of Dr. Mcninja)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Adventures of Dr. McNinja

## Omnibus (The Adventures of Dr. Mcninja):

0 of 0 people found the following review helpful. The beginning of the best super hero/comedy/action/sci-fi comic ever. By Jerry Friends Dr. McNinja has long been what I consider the best web comic in existence. It's irreverent, action-packed, and loaded with outrageous but endearing characters, each overflowing with personality. It's a super hero/comedy/action/sci-fi comic filled with pop culture references and over-the-top plots. This collection of the first few stories along with notes from the author is a great way to dive into the world. 5 of 6 people found the following review helpful. funny... yet badass By justanotherjohn I really enjoyed the comic when it was first being posted up on the Dr. McNinja site, but I always wished that reading them like a normal comic or graphic novel was an option. Obviously I was thrilled to find out that they were indeed releasing a bound edition. Some of the early stuff has some rough art but it gets way better after the first story, (first story is still fun and by no means does this take away from it but rather adds some charm) This book is in black and white unlike the other McNinja books out now but this is the format they were originally made in so no worries there folks. (unlike those horrible Bill and Ted reprints that got rid of all the color) The comic itself is over the top both in its action and its comedy. I would recommend it to fans of Adult Swim and that style of odd humor. As well as comic fans who know not to take themselves too seriously. 0 of 0 people found the following review helpful. Excellent story. Dr. McNinja is the greatest welcoming I have ever found. I so glad to own this to keep in my own home.

He's a doctor! He's a ninja! And now, his earliest exploits are collected in one mighty omnibus volume! Featuring stories from the very beginnings of the Dr. McNinja webcomic, prepare for a hefty dose of science, action, and outrageous comedy. This omnibus presents more than five-hundred pages of hilarious strips, some of them long out of print.
