And she loves this. In fact, I may have unleashed another comic book fan in this world. As far as story goes, it is awesome. It is the story of the ultimate AI - Ultron who realizes that it is us, humans, that need to be eliminated to save the world. And that is the whole premise. I would

recommend this book to fans of comics as well as the fans of Sci-Fi. There are superheroes super villain and the conflict to be able to survive. The quality of drawing is awesome too. Hardcore Sci-Fi fans may think this is not "plausible" plot ... that is what the medium of comics does - takes us on the flights of fancy into the fantastic world. Enjoy the story. 3 of 3 people found the following review helpful. Fresh yet familiar By Salem J Dunning Great tale. Feels epic. What else do you want? Great Story By Jason Crow I loved it and my 9-year old son did as well
