**Mayu Shinjo : AI Ore! Love Me!, Vol. 3** before purchasing it in order to gage whether or not it would be worth my time, and all praised AI Ore! Love Me!, Vol. 3:

0 of 1 people found the following review helpful. Good, progress so far!By huevalueintensityI have volume's 1 - 3 of this series and so far it is still good. In Volume 3 the major plot developments are , Akira and Mizuka get into a huge fight over what Mizuka's real feelings for Akira are. Akira gets hit on by a guy who thinks he is a girl. Mizuka gets presued by another guy giving Akira an unwanted rival and Akira is still hounding Mizuki for a more intimate relationship, but Mizuka is still on the wall regarding their sleeping together, I won't say whether it's yes or no. The art

work as usually is expressive and beautiful A+. It has its laugh out loud scene's like Akira getting drunk while wearing a flimsy kimono surrounded by men. And cute moments like Mizuki and Akira sing on stage. The story so far still fun and entertaining, with a lot more background on the main characters B+. In all Volume 3 makes a good addition to the series. 0 of 0 people found the following review helpful. Reads like a guilty pleasure manga. By GraphicNovelReporter.com

**Ai Ore!** is about a boy who is often mistaken for a girl dating a girl who is often mistaken for a boy. It's not an in-depth look at gender studies or traditional gender roles. It pretty much just uses this gimmick for moe. Mizuki, the girl, is the guitarist of the band Blaue Rosen and has gotten her boyfriend Akira to be the lead vocalist, but Akira has to pretend he's a girl when he's with the band. One time Akira agrees to go on a fake date with a guy so that the band can play where and when it wants to, and the guy actually believes that Akira is a girl. Another character, Tsubasa, shows up and has a major crush on Mizuki, so Tsubasa tries to ruin the girl's relationship with Akira. There are quite a few funny moments in *Ai Ore!* I have, however, felt iffy with some parts of this series. Well, mainly one part: Akira. In his need to feel "masculine," he instead sometimes dips into just being a chauvinist. Shinjo makes a comment in the manga about everyone loving Akira, but I don't think that's true. However, the good news is that Akira seems to have some growing moments in this volume. He does a few jerky things, but this time around he gets nailed for them. For instance, he tries to say he'll "claim" Mizuki, a wording that made me angry, but then another character talked to him and said that's not how men behave. At another time, Akira was being too pushy with Mizuki, but she put him in his place by saying he couldn't treat her that way. I'm glad these things happened. *Ai Ore!* does have some funny moments, so I don't want the series to get ruined by Akira's idiocy. Aside from these Akira moments, *Ai Ore!* basically reads like a guilty pleasure manga. It has quite a few references to sex, especially with characters trying to sleep with one another and invariably failing. Mizuki and Akira have some tiffs during the book, and toward the end, Mizuki's parents try to set up an arranged marriage for her. They don't pick a stranger, but another character from *Ai Ore!* The humor has to be the best part, and I hope Akira continues to improve and doesn't make any backslides. Reviewed by Danica Davidson

The boy (who looks like a girl) meets girl (who looks like a boy) romance! Reads R to L (Japanese Style). Mizuki is the female "prince" of her all-girls school and the lead guitarist in an all-girl rock band. Akira is the male "princess" of his all-boys school and wants to join her band. Love may be on his mind, but romance is difficult when everyone keeps mistaking Mizuki for a boy and Akira for a girl! Blaue Rosen is bumped from a gig because Yuya wants his own band to perform instead. Mizuki and her bandmates protest, and Yuya decides he'll let the all-girl band play but only if he gets a date with Akira!

**About the Author** Mayu Shinjo was born on January 26th in the city of Nagasaki. She debuted as a manga artist in 1994 with the title *ANATA NO IRO NI SOMARITAI* (I Want to be Dyed in Your Color) in the pages of *Shojo Comic*. She has been a prolific creator with over fifteen titles to her name. Currently, she is absorbed in automobiles and enjoys driving. Her blood type is O.
