Sequel to New York Times bestselling manga *Alice in the Country of Hearts* His name is Boris, and despite his human form and piercings and tattoos, he is not your typical punk teenager. For he is the Cheshire Cat, complete with cat ears and a tail, and a penchant for riddles. Boris is in madly love with Alice, and Alice is vulnerable and lonely. But will she fall for the Cheshire Cat?

It may be impossible to beat Lewis Carroll at his own game, but as *Alice in the Country of Hearts* shows, there are still ways to succeed.
