Another great addition to this fantastic storyBy CandiraAnother great addition to this fantastic story. Boris and Alice are my favorite, and he never loses appeal for me. I think it's a natural extension of Boris' character, and Alice seems right, too, though her character changed based on the decisions made in the game, so it's a little harder to tell. The art is pleasing, and the intrigue keeps building. I love it.4 of 4 people found the following review helpful. Two more to go!By ShainaDGThis volume has given me new looks on Boris and Alice as they are deepening in their relationship. It also has nice bonus of meeting between Boris

and Alice when they first met back in Country of Hearts. Nice and funny!

New York Times bestselling manga *Alice in the Country of Clover* continues! *Alice in the Country of Clover: Cheshire Cat Waltz* continues the adventures of Alice as she goes deeper into Wonderland, and focuses on her relationship with the Cheshire Cat. This volume, as with each new book in the *Alice in the Country of Clover* series, is an oversized edition that features impressive artwork and color pinups. His name is Boris, and despite his human form and piercings and tattoos, he is not your typical punk teenager. For he is the Cheshire Cat, complete with cat ears and a tail, and a penchant for riddles. Boris is in madly love with Alice, and Alice is vulnerable and lonely. But will she fall for the Cheshire Cat?

It may be impossible to beat Lewis Carroll at his own game, but as *Alice in the Country of Hearts* shows, there are still ways to succeed. [ANIME NEWS NETWORK](#) on *Alice in the Country of Hearts* Nicely done art and hunky hunks make *Alice in the Country of Hearts* eye candy for shoujo manga fans.
