There's a bunch of short stories pairing Alice with; Blood, Ace, Joker, the Twins, Pierce, Boris and Gray. And a few little short funny panels in between. BUT-The volume I got, came with a NASTY security sticker. Usually the kind that if in a normal book store and you'd try to steal it- I assume it'd set off some kind of alarm. It was right on the back over Pierce, so I did my best to get it off with MUCH difficulty. At one point the residue on the back got stuck on my leg and was physically painful to rip off. In the first picture you can see I put a little organza bag over the stickiness to keep it from attaching itself to all my other

books. And in the second image, you can see the massive square of where there's still a bunch of residue reflecting in the light. I almost wish I just got it at Barnes and Noble and spent a few extra bucks to have a mint copy. But oh well, I already have this one now, so I'll just keep it. So beware if you're like me and like to keep things in good condition! 2 of 2 people found the following review helpful. kawaiiBy Kindle Customerkawaii , love it has long lizard and alice novella if your a fan of the pair, but the rest was great as well 0 of 0 people found the following review helpful. CuteBy shardinea While the stories in all are cute, Grey's little romantic story with Alice was what made this book worth buying. It is a nice little book of short story romances though.

SO MANY MEN, SO LITTLE TIME! Alice has more than a few handsome suitors in Wonderland..and in this spicy collection, she lands more than one! Whether it's Boris, Ace, or all of Hatter Mansion in a tub, Alice has her work cut out for her-these men aren't easy to love. But after adjusting to the wild ways of their world, she's finding room in her heart for a special someone. Could it be Pierce, Grey...or even Joker? In this fan-friendly mix of stories from multiple series, Alice finds love in Wonderland again and again.

It may be impossible to beat Lewis Carroll at his own game, but as Alice in the Country of Hearts shows, there are still ways to succeed.
