QuinRose : Alice in the Country of Joker: Nightmare Trilogy Vol. 2: Afternoon Dream before purchasing it in order to gauge whether or not it would be worth my time, and all praised Alice in the Country of Joker: Nightmare Trilogy Vol. 2: Afternoon Dream:

0 of 0 people found the following review helpful. A good series By Sunshine I am a huge fan of the entire Alice series. That being said, I really did not want these books. I just could not imagine Nightmare and Alice in a relationship. I saved this series until the very end and finally broke down and bought it. I was completely stunned of how good the story line was! The relationship was believable and I will definitely be re-reading these three books. I recommend that

you add them to your Alice collection.*a side note. The artist for these books is Job. He's not my favorite artist but he did a better job on this series than he did on Gray's book. Just my personal opinion.0 of 0 people found the following review helpful. I like the series.By Patty DavisI like the series.0 of 0 people found the following review helpful. Five StarsBy Joseph AdamsGreat

JACK IN THE BOXApril Season in the Country of Joker is a time of circuses, mysteries, and lies. In the Tower of Clover, Alice discovers a magical box that Nightmare wants to keep shut, containing a book he doesn't want her to read. Yet Alice is not the only one interested in the magical box. Will she find herself caught in the middle of a Wonderland mafia war? In the meantime, Alice's memories of her old world continue to clash with the bonds she'd forming in Wonderland--or would like to form, if only Nightmare would make a move!

It may be impossible to beat Lewis Carroll at his own game, but as Alice in the Country of Hearts shows, there are still ways to succeed. **ANIME NEWS NETWORK**Nicely done art and hunky hunks make Alice in the Country of Hearts eye candy for shoujo manga fans. **ABOUT.COM**About the AuthorQuinRose is a Japanese game developer who created the Alice franchise of video games, which spun off into novels, manga, and an anime feature film.Yobu is a Japanese manga artist best known for Alice in the Country of Clover: Nightmare and Alice in the Country of Clover: Lizard's Aide.
