Marvel Comics : All-New Wolverine Vol. 3: Enemy of the State II (Wolverine (Marvel) (Quality Paper)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised All-New Wolverine Vol. 3: Enemy of the State II (Wolverine (Marvel) (Quality Paper)):

0 of 0 people found the following review helpful. More like collision 2, still greatBy Ian McKeeWhile this volume is called enemy of the state two, the actual story has more than abit in common with the x-23/Daken story collision. Such similarities include the general villain plot, the setting, and the inclusion of gambit. Not that any of this is a problem in any way, just an observation. This is a fine story on its own, with Laura seemingly ending her self imposed exile from her remaining family at the end. The plot isn't too cpmplcsted, and the bad guy doesn't have some great evil plan, but it still works because of the fine characterization Laura gets.1 of 1 people found the following review helpful. Includes issues 13-18 and not 13-17 as listed.By brody coleAll new wolverine volume 3 is another great volume in a continually great series. ANW is definitely my favorite Marvel series currently ongoing. This volume is better than the last volume bc it's not a tie-in to an event like the last volume was. The art in this volume isn't bad, but I can't help but miss David Lopez' art a little bit. If you've read the rest of the series then this volume will not disappooint! The only downside was the book was a little bent from shipping but that's not a big deal.0 of 0 people found the following review helpful. RecommendBy srchlightsoulNot as excellent as volumes 12, but still a good to read. I feel it includes turning points that will move the future of the series forward.

WOLVERINE...MURDERER?! LAURA has fought so hard to be something other than what she was created to be, but the fight is over. WOLVERINE has blood on her hands. In the wake of an unspeakable tragedy, dark forces seemingly have Laura's life under their control. Will Laura be able to defeat demons on the outside and within? Or will she be forced to give up the hero's life she's built for herself?COLLECTING: ALL-NEW WOLVERINE #13-18
