Kim Deitch : All Waldo Comics before purchasing it in order to gauge whether or not it would be worth my time, and all praised All Waldo Comics:

Here's Waldo By A Customer Kim Deitch is one of the masters of underground comix and his Waldo comics are among his finest. Beautiful black and white line work and an anything but "funny animal" storyline make this a classic. Unfortunately, Deitch's graphic novel collections appear to be going out-of-print so get them while you can. A Shroud For Waldo and Beyond the Pale are still available...Hollywoodland should also be easy to track down. All are well worth the effort.

Trade paperback, magazine size.
