Tom Horacek : All We Ever Do Is Talk About Wood before purchasing it in order to gage whether or not it would be worth my time, and all praised All We Ever Do Is Talk About Wood:

"An off-kilter look at life ... Bleak and uncomfortably funny."-The National Post"It's hard to not love [this] book ... Very witty, very dry, very sly 'New Yorker-esque' cartoons." -The Ottawa Citizen"Normally, one-panel zingers leave me hankering for something more. I much prefer story over punch lines. But the witty and acerbic Horacek consistently made me laugh out loud ... 'Wood' is must reading for whenever life seems to be getting entirely too serious." -The San Jose Mercury News"This book is fantastic." -SF Weekly"Simple genius ... A wonderfully black sense of humour ... [This book] will have you in stitches."-Metro Canada"A beautifully precious tome." -The Edmonton Journal"This collection will make you chuckle aloud ... You'll want to revisit the panels again and again." -Giant Robot"Funny ... Reads like a sampler of sturdy approaches to gag humor, New Yorker and related magazines division ... It's solid work throughout." -The Comics Reporter"Really, really funny ... Easily strides the gap between the New Yorker and Ivan Brunetti ... A nice package overall and one I heartily recommend." -Newsarama"Like Peanuts filtered through The New Yorker cartoons, with punch lines that crack like a whip." -The Daily Cross Hatch
