This omnibus edition contains volumes 8 and 9 of Amazing Agent Luna, Seven Seas' premier shoujo manga series that blends high school romance with super spy action. It directly ties in with events that occurred in the two-volume

Amazing Agent Jennifer prequel, but can be read independently. Luna's control agent, Jennifer Kajiwarra, is given an ultimatum by her superiors at the Agency. If Luna fails in her newest mission, Project Luna will be terminated-- permanently. As Luna delves deeper into the shadowy organization known as Knightfall, what she learns may not only derail her mission, but it could tear apart her makeshift family, and send her down a dark path from which she may never return.
