Dan Slott, Christos Gage : Amazing Spider-Man: The Clone Conspiracy before purchasing it in order to gauge whether or not it would be worth my time, and all praised Amazing Spider-Man: The Clone Conspiracy:

0 of 0 people found the following review helpful. I actually enjoyed the story. Surprisingly, I actually enjoyed the story. I've followed Spiderman on and off since the 90's, and I know very well there are those that are tired of the clones and their complicated stories, but not me. I do not mind reading a new twist on the old tale, but yes, knowing the backstory helps make sense of a lot of things. I feel it has good pace and sufficient characterization

(especially in the side stories). The art is great. As for this collection itself, I like that they collected the issues of the "main event" first, followed by the side stories. I think that ordering presents a less chaotic take of the event, and allows one to discover new details later. 0 of 0 people found the following review helpful. it was okey story with okey art not as bad as people said it was and not good as ...By Yusuf Kudsit was okey story with okey art not as bad as people said it was and not good as spider-verse but overall it is okey if you like Dan Slott's writing you will enjoy this, I only had problem with the hardcover edition it is s*** they gave you a guide in the first page "how to read guide" and you have to flip up and down to figure things up, I don't understand why did they just put everything in order ?... "that's why I am giving it a 3 star for a s*** hardcover edition" 0 of 0 people found the following review helpful. Attack of the Clones By Teddy Good story but this collection was poorly arranged.. it would have been quite easy to compile this according to a chronological reading order since it is in digital format..

Amidst a gauntlet of his deadliest rogues, an old foe returns to the fore. Loved ones lost are dead no more as Peter Parker plunges headlong into THE CLONE CONSPIRACY - a blockbuster event series from A-List creators Dan Slott and Jim Cheung! Prepare yourself for THE Spidey story of 2016 as the writer who brought you Spider-Verse, Superior Spider-Man and Spider-Island brings you the next defining chapter in the wallcrawler's life! The identity of the man in the red suit has been revealed. The Jackal has returned, more driven and determined than ever. He's offered Spidey's greatest rogues a chance to reunite with their loved ones in exchange for loyalty. But to what end? With the Rhino, the Lizard, Electro and even Doctor Octopus at his side, things are looking bleak. But who else from Spider-Man's past has reappeared?! Collecting: Amazing Spider-Man 19-24; The Clone Conspiracy 1-5; The Clone Conspiracy: Omega; Silk 14-17; Prowler 1-5; Material from Free Comic Book Day 2016 (Captain America) 1
