**Dan Slott : Amazing Spider-Man Volume 3: Spider-Verse** before purchasing it in order to gage whether or not it would be worth my time, and all praised Amazing Spider-Man Volume 3: Spider-Verse:

I was disappointed. Having heard so much about the first appearance of Spider-Gwen, the return of Peter Porker: The Spectacular Spider-Ham, but the story just did not capture me. Too much of the main story happened in the tie-in books so that is what I would suggest getting, the more

expensive Spider-Verse omnibus. Wish I had now.0 of 0 people found the following review helpful. but I will say I was a bit disappointed in that regardBy Guillermo A. GuzmanLet me start off by saying I never read comics, let alone buy them. My cup of tea is manga, so I figured it wouldn't be too different. I made an exception to buy this volume because I was interested in reading how Spiderman met SpiderGwen and getting to see more of her origins, so-to-speak. I don't want to spoil anything, but I will say I was a bit disappointed in that regard. My only other complaint is that the story felt way too short/rushed, but that might just be how things are done in the comic industry. Other than that, the story was pleasantly entertaining and it was nice seeing Peter meet up with other versions of himself. It was also nice how the author included footnotes linking to other titles that would fill us in on more in-depth back story if we desired to dig deeper. The last positive comment I have was that I felt I really got my moneys worth for the price I paid (Kindle version) and with the content I received.0 of 0 people found the following review helpful. Its just what you wantBy CustomerIf you want to read a spiderman story than pick this one it's start of the spider verse it extactly what you think and much more leaving you want to buy more trust me when reading this one I was just glued to this and the ending of it left me like WTF man I WANT more and just left me in my head With Great Powers Comes Great Responsibility and also you see some of the other Spider-Mans that you love from the other Demisons like 2099,noir and other AMAZING SPIDER MANS

It's the biggest Spider-event ever! When the evil Inheritors begin exterminating spider-characters throughout the multiverse, every single Spider-Man ever is needed to save the day! A spider-army gathers to fight Morlun and his deadly family, and the Superior Spider-Man intends to lead it! Our universe's amazing Spider-Man has an issue with that...but the army doesn't have time for this in-fighting, as the Inheritors continue slaughtering Spider-totems left and right! As the first skirmishes unfold into all-out war, Miles Morales shows his stuff, Silk finds a valuable edge, and a surprising Spider-character makes the scene! As the Prophecy comes to fruition, every spider must fight...and no spider is safe! But what does the Superior Spider-Man have up his sleeve? And what will the war's fallout mean for Peter Parker...and the rest of the spiders? COLLECTING: Amazing Spider-Man 9-15
