Building Toward the Conclusion of "After the Fall"!By RDD"Angel: After the Fall Volume 3" features a story plotted by Joss Whedon and Brian Lynch, scripted by Brian Lynch, and penciled by Nick Runge, David Messina, and Stephen Mooney. The story follows a battle between Team Angel and the

Lords of Los Angeles, cast into Hell by Wolfram Hart. Illyria remains unstable as she is suddenly reverting into Fred under emotional stress, despite the fact that Fred should have been burned away. From there, things come to a head between Angel and Gunn, who is now a vampire, and Angel sees a vision of Cordelia. This volume primarily serves to set up the conclusion to "After the Fall" in volume 4, but has plenty of twists and emotional reunions for fans. For fans of the series seeking closure after the cliffhanger series finale, this is a must read. 7 of 7 people found the following review helpful. Simply awesome! By Joseph H. Trochez I, like many was saddened when Angel was canceled before its time. The series finale was a truly epic finished that left every Angel fan wanting more and a bitter sweet taste in their mouth. Then walks in Angel After the Fall, graphic novel, continuing Angel's tale. All three volumes are well done and always leave the reading wanting more. This volume in particular had me wishing volume 4 was already out and in my hands. Vol. 3 takes part where the first one ended and takes you on one hell of a ride. Reveals take place that the reader all ready new but the characters didn't and it was interesting to see how they reacted to finding out Angel was human and Gunn was a vampire. The big cliffhanger at the end will leave you in aww. Until volume 4 I will be rereading volumes 1-3 in anticipation!! This is a must buy for anyone who calls themselves a fan of Angel. 0 of 0 people found the following review helpful. Cliffhanger By Micheal Great surprises and lining forward to reading the next volume of what happens next. The fish diary at the end it's pretty funny.

Now that we've seen not only what happened after that epic, show-ending alley battle, but also experienced the First Night that Los Angeles went to Hell, it's time to find out what comes next. But it's not going to be easy. Long-time friends-turned-enemies Angel and Gunn are on a collision course with destruction, and when Gunn's master plans get exposed, well, let's just say things get chippy. Experience all the action, drama, deception, and demonic humor you've come to expect from Brian Lynch (Spike: Shadow Puppets), joined this time with artist Nick Runge in the exciting continuation of Angel: After The Fall!
