Vol.1 better than Buffy S.10 Vol.1. But I thought Buffy Vol. 2 was a lot better than Angel Faith Vol.2. The ending really hooked me, however. Before I read the last page I glanced at the picture and the dialogue and thought I saw "Faith?" and I was like, "Finally they hook back up, now we can get on with the story". But when I finally read through to the last page I was even more pleasantly surprised that it was Fred rather than Faith. I was sad to see Illyria go last season because she was the last tie to Fred that we had, so I'm happy to have Fred back, can't wait for Vol. 3 to come out.0 of 0 people found the following review helpful.
