Marguerite Bennett : Angela: Queen of Hel: Journey to the Funderworld before purchasing it in order to gage whether or not it would be worth my time, and all praised Angela: Queen of Hel: Journey to the Funderworld:

Hel hath a new fury! She was stolen from Asgard, exiled from Heven, and robbed of her greatest companion - now Angela plunges into the blackest depths to save Sera. But once there, the lost princess will claim a throne of her very own. To rescue her beloved, Angela must conquer this domain and rewrite laws as old as death! All hail Angela, the new Queen of Hel? Not if the old Queen, Hela, has anything to say about it. When Angela and Sera come face-to-face at last, will their reunion be joyous - or tempestuous? Who else will join this rebellion in the underworld?COLLECTING: ANGELA: QUEEN OF HEL 1-7
