But even getting out of the Layer intact means facing new rivals in the competition ahead...and facing the true, personal meaning of the game for Hikaru...and her so faraway, so close mother. | File size: 61.Mb

Clamp : Angelic Layer Volume 2 (Angelic Layer (Dark Horse Manga)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Angelic Layer Volume 2 (Angelic Layer (Dark Horse Manga)):

2 of 2 people found the following review helpful. A Sadly Rushed EndingBy Eclectic BibliophileThis volume

completes the saga of the heroic fighting dolls of Angelic Layer in a fairly rushed way. The tirelessly foreshadowed identity of our heroine's mother finally came to pass, yet it was unsatisfying. Perhaps CLAMP had seen a longer arc in which to wrap this up at one point, but the denouement didn't fit well. The unbelievable character flaw that kept the family from reuniting sooner was a major letdown. The anime handled this twist far better. Please note that I feel Dark Horse did the best they could with this series. I have been very impressed with their handling of Cardcaptor Sakura and would strongly recommend all four volumes of that legendary series over the two volumes of this one. 1 of 1 people found the following review helpful. Five Stars By Life Wa Good desu Part 2 to a great manga, CLAMP wins again!! 1 of 1 people found the following review helpful. Perfectly great conclusion! By Sarah Alcon The final manga volumes in the Angelic Layer series. CLAMP always knows how to perfectly wrap things up in their cute series like Kobato, sequel Chobits and- Angelic Layer! I absolutely LOVE how the manga ending compared to the anime. The reunion between Misaki and her mother is more heart-warming, cute and Misaki acts like how a CLAMP character like her actually would in that situation then from the anime. The biggest thing for me though was who ended up with who. Thank you CLAMP for having those characters end up together like they should be! Now I know this makes it sound like I don't like the anime; no, I love it and own it! If you haven't already seen it, you need to! The manga ending just out beat the anime ending in so many ways. In short, its a great conclusion to a fantastic series!

The second half of Angelic Layer picks up where we left off with Misaki and Hikaru in a desperate fight against Kaede and Blanche! But even getting out of the Layer intact means facing new rivals in the competition ahead, and facing the true, personal meaning of the game for Hikaru and her so faraway, so very close mother. The Angelic Layer saga concludes in Book Two!

About the Author Clamp is an all-female Japanese manga artist group that formed in the mid-1980s. It consists of leader Nanase Ohkawa, who provides much of the storyline and screenplay for the group's works and adaptations. Clamp also includes three artists whose roles shift for each series: Mokona, Tsubaki Nekoi, and Satsuki Igarashi. Almost 100 million volumes of Clamp manga have been sold worldwide.
