**John Barber : Angry Birds / Transformers: Age of Eggstinction** before purchasing it in order to gage whether or not it would be worth my time, and all praised Angry Birds / Transformers: Age of Eggstinction:

2 of 2 people found the following review helpful. Fun read By doctorj My 4 year old son loves this graphic novel. I don't think he gets all the nuances and jokes in the story, since it may be a bit above his grade level, but he loves transformers and angry birds so this is the perfect combo. The pictures are vibrant and detailed. He loves to draw the images. If your child is still a novice reader, a better option might be the DK Readers Angry Birds Transformers

books, which my son loves as well. 0 of 0 people found the following review helpful. Text is very confusing to read. By ALMK First let me say that the Angry Birds/Transformers crossover seems weird, but it does work. My son is obsessed with all things Angry Birds, and has played the Angry Birds Transformer game a lot. However, this comic was very confusing to read, I had a hard time deciphering which speech bubbles belonged to which characters, or in which order to read them. We much prefer the plain Angry Birds comics, as evidenced by the fact that my son has read each of them multiple times independently and with me, but we have only read this book once. 1 of 1 people found the following review helpful. Origin of Angry Birds Transformer explained! By platium This is where it all begins! You have to get this book to understand why the Angry Birds incorporate Transformer technology. In simple terms, they have limbs and are able to transform!

When the Transformers lose their powerful Allspark, it ends up on Piggie Island and the world of Angry Birds turns robotic! Prepare to meet the AUTOBIRDS and DECEPTIHOGS!

About the Author John Barber is a former Marvel and IDW Publishing editor now focused on writing comics. Credits include: Optimus Prime, Doctor Strange/Punisher, Ultimate Spider-Man Infinite Comics, Revolutionaries, Back to the Future, and Action Man comics!
