Johnny Ryan : Angry Youth Comix before purchasing it in order to gage whether or not it would be worth my time, and all praised Angry Youth Comix:

0 of 0 people found the following review helpful. plugging our national orificesBy Robert Plautzlisten, im not an expert on underground comics, or this particular author or anything. i come to this culture from outside it. but im gonna say something, and i mean it: America needs Johnny Ryan. He fills a gap. In the land of freedom, he lets it ring. REM sang: "Lenny Bruce is not afraid." well neither is Mr. Ryan. and we should be glad of it. i probably wont be

around when our first Pakistani-American female President awards this artist at the White House, but you can tell them all i told them so. Also, FANTAGRAPHICS, PLEASE PLEASE put out a lovely hardcover of Prison Pit because you know we cant find the damn thing, and i dont think i have ever seen a funnier comic book in my life. Go Johnny Go.1 of 1 people found the following review helpful. Five StarsBy CustomerI bought this for my fiance's Christmas gift .He loves it!!1 of 1 people found the following review helpful. So wrong. But so, so friggin funny.By andrewmwalsh319Not politically correct. I'm probably a horrible person inside, because this book gives me serious belly laughs. Loady McGee rocks!

Johnny Ryan is the "Louis C.K. of funny books," and this is an omnibus of all fourteen issues of his taboo-busting, career-defining series Angry Youth Comics—the stories, the covers, and even the letters pages. For the first time, all fourteen issues of Johnny Ryans career-defining comic book series Angry Youth Comics (2000-2008) are collected in one place: all the comics, the covers, and even the contentious letters pages, in one toilet-ready brick. Johnny Ryans utterly unpretentious, taboo-tackling is an infectious and hilarious bombardment of political incorrectness, taking full advantage of the mediums absurdist potential for maximum laughs. In an age when the medium is growing up and aspiring to more mature and hoity-toity literary heights, Ryan builds on the visceral tradition that cartooning has had on our collective funny bone for over a century. Black white with 32 pages of color

One of the funniest gags of this collection of Johnny Ryans Angry Youth Comix is that it even exists. ... Hes such an accomplished cartoonist that he can, and does, get away with pretty much anything. ... Expertly, beautifully drawn ugliness ... its offensi-riffic. - J. Caleb Mozzocco, Las Vegas WeeklyFantagraphics made me pay full price for this book, those cheapskate motherf***ers. Anyway, this book collects all the great issues of Angry Youth Comics, from its hilarious first issue where Loady McGee creates a whorehouse of humanimals to the dark final issue where Boobs Pooter thoroughly ruins one man's life. All the memorable funny and hilarious and deeply upsetting stories like Hipler, Comic Book School, Blecky, Gags, and the Whorehouse of Dr. Moreau are bound up like a fancy man's book, and it only cost me \$50. - Nick Gazin, ViceAbout the AuthorJohnny Ryanwas born in Boston, MA, and lives in Los Angeles, CA. He is the co-creator and co-executive producer of the Nickelodeon TV series Pig Boat Banana Cricket.
