Alejandro Jodorowsky : Anibal 5 before purchasing it in order to gage whether or not it would be worth my time, and all praised Anibal 5:

The European Defense Organization (EDO) is entrusted with protecting the Earth from cosmic terrorists bent on the destruction of humanity. Their key weapon: a sex-obsessed secret agent by the name of Anibal 5. As Anibal and the rest of EDOs eclectic team battle evil dictators, nymphet clones, and a mysterious criminal syndicate, things turn

inevitably, and irrevocably, delirious and erotic.
