Ryoko Fukuyama : Anonymous Noise, Vol. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Anonymous Noise, Vol. 1:

1 of 1 people found the following review helpful. mostly standard shoujo plot with a musical settingBy Joshua Y. Yuani have a strong affinity for stories involving bands and whatever (DearDrops, Kira*Kira, K-ON), so I'm going to drop a 4 on this though I was tempted to put a three just because it's kind of your run-of-the-mill volume 1 for a shoujo manga.The general idea is a girl that likes to sing meets two guys during her childhood that have profound effect on

her desire to sing, they both disappear from her life, and fast forward to high school, wow they both exist. You can imagine what happens after that, 1 plays hard to get, 1 is actually trying hard, conflicting feelings abound, and so on. Not to say it's not interesting, it's looks nice and the setting of school + band + music producer stuff at least keeps it from being yet another schoolyard manga, but 2 main guys 1 girl, you'll know in general what to expect. That said, if shoujo manga is your speed, this give this a shot. This volume mostly tells some stuff about the past while leaving things to be revealed later i'm sure, and it does character introductions. 0 of 0 people found the following review helpful. Five Stars By Jessica S. Really love the manga and anime 0 of 0 people found the following review helpful. Awesome By Customer Fresh outlook really caught my attention can't wait to see where it goes from here . Hoping for the best

Music and longing collide in this ballad of unrequited love! Nino Arisugawa, a girl who loves to sing, experiences her first heart-wrenching goodbye when her beloved childhood friend, Momo, moves away. And after Nino befriends Yuzu, a music composer, she experiences another sad parting! Both boys promised Nino that they would find her one day through her singing, so she holds on to that hope and continues to reach out with her voice. Now in high school, Nino serendipitously reunites with Yuzu, but she yearns to see Momo again

About the Author Born on January 5 in Wakayama Prefecture in Japan, Ryoko Fukuyama is the author of Nosatsu Junkie, Monochrome Shonen Shojo and Shinzou ga Tarinai (Not Enough Heart). Anonymous Noise was adapted into an anime in 2017.
