**David Michelinie, Bob Layton, Tom DeFalco : Ant-Man: Scott Lang** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ant-Man: Scott Lang:

0 of 0 people found the following review helpful. Enjoyable Bronze Age comic story telling from the best era of comics. By Jan Tjeerd Excellent visit to Bronze Age comic story telling. If one compares to modern comic and comic-based movies today - the work does not match the dark tone and reality based images. However, when approaching the stories collected as they were intended - redemption, integrity, heroes who are flawed, yet people to look up to - the

stories are well suited for an enjoyable read. Artwork is great - artistic style, composition, and work from the best of the industry in the 70's. Don't pass up the re-introduction of Ant-Man and the character the current movie is based upon. 4 of 5 people found the following review helpful. Big adventures from the tiny hero! By Brian Reaves Ant Man has long been a favorite character of mine, and this collection is a good starting point for the Scott Lang character. It includes his first appearances in Marvel Premiere, and then every subsequent appearance up to Avengers 223. The only shortcoming of the series is a 3-part Iron Man adventure with the Hulk that has Scott pretty much sitting out for the first two issues and then finally putting on the costume for the third. Otherwise, this collection has it all, including not one, not two, but THREE run-ins with Taskmaster (one with Wasp and Yellowjacket, one with Spider-Man, and one with Hawkeye). Great artwork all around, and if not for the 3-part Iron Man storyline it would have been a solid book. I wish they'd been able to take it further with some of Scott's later Avengers work, but a lot of this is reprinted for the first time so I'm very happy to have it. 0 of 1 people found the following review helpful. Ants Save The Pic Nic Instead Of Ruining It By thirtdwin It's great to see these early stories from the 60s and 70s back in print and all collected in one place. If you're just discovering the character or have read Ant Man from the start this volume is worth picking up for an exciting read.

Meet 2015's silver screen sensation in waiting - Scott Lang, the astonishing Ant-Man! To save his daughter Cassie's life, Scott is forced to return to a life of crime, stealing Hank Pym's original costumed identity. But when his noble intentions win the Avengers' approval, he takes over as the all-new Ant-Man, full-time! Electronics whiz Scott secures a job with Tony Stark, but the size-changing super hero must save Iron Man after a brutal battle with the Hulk. No shrinking violet, Scott holds his own in astonishing adventures with Spider-Man, the Thing and the Avengers... and when Ant-Man and Hawkeye join forces, somebody's gonna get it! COLLECTING: Marvel Premiere 47-48; Iron Man (1968) 131-133, 151; Avengers (1963) 195-196, 223; Marvel Team-Up (1972) 103; Marvel Two-In-One (1974) 87; material from Avengers (1963) 181, Iron Man (1968) 125
