Frank Cho : Apes and Babes before purchasing it in order to gage whether or not it would be worth my time, and all praised Apes and Babes:

0 of 0 people found the following review helpful. Some quintessential Frank Cho withinBy 00M00A solid, reasonably priced collection featuring various works of Frank Cho's from assorted comics and genres he's worked in. The man is one of the modern masters, I can think of no one who draws comic or strong (esp barbarian/) females better and only 2-3 other artists who are better at other types of fantasy women or comic/sci fi men (seriously, Cho's Spider Man and Daredevil are almost as great as his Wonder Woman or Jungle Girl, his Hulk dang near as good as his She Hulk). When the man is 'bad' he's still one of the best out there, when he's 'good' there's less than a handful which can even be mentioned in the same breath as him so if you buy this book you probably knew what you were getting and you won't be disappointed.0 of 0 people found the following review helpful. Great artwork - story not so much.By Collector of

Rare and Unique Items
The artwork is fantastic and that's why I took a risk and bought this book. However, the story is pretty simplistic and doesn't hold up to the beautiful artwork. So if you love Frank Cho's art, buy this book, if you are looking for a great graphic novel to read, you might want to keep on looking.

By DWS
Beautiful artwork by a Master. A joy to look at.

From the award-winning creator of LIBERTY MEADOWS, Zombie King, and Jungle Girl, this collection showcases CHO's past and present illustrations of the female form and fantastic beasts.
