**Natsumi Ando : Arisa 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Arisa 2:

1 of 2 people found the following review helpful. Could be some spoilers... really really mild ones.By Jessie PottsArisa 2 picks up right where 1 left off, with an unexpected outburst... Manabe thinks Arisa is the King... could that be the horrible secret she was hiding? As readers delve further into Tsubasa and Arisa's world we see characters and situations that grow more dire by the page, and we see what Tsubasa can't. We get introduced different sides of characters who we thought we knew, people aren't always sweet and loving, sometimes the pretty face is hiding an

ugly person. This was a fantastic volume that had a lot of story in it. This wasn't a filler volume or one where one scene is drug out. Tsubasa nearly dies, the King closes shop, Arisa goes missing from the hospital, and there's even more. I recommend this series, it is not light and fluffy, though the wait between volumes is proving hard. 0 of 0 people found the following review helpful. Cool Story By Stewart Purvis Cool Story 0 of 0 people found the following review helpful. "Welcome, Chosen ones!" By Xyon McKell Arisa is a multiple layered story with mystery elements. I highly recommend starting at the beginning and reading in order. \*\* This review contains no spoilers for Arisa 2 but will have them for volume 1. \*\* Tsubasa, the delinquent "Demon Princess" of her high school, is investigating her seemingly perfect twin sister's secrets after Arisa's suicide attempt and has started to learn about the mysterious King controlling the class. She may have a lead on the King's identity, but how long can she pretend to be Arisa without arousing suspicion? Volume 2 is a strong continuation of the intriguing problems set before Tsubasa in volume 1. The King is an active, and dangerous, opponent and the high stakes game of move and counter move is nicely executed. One of the best things about this story is the supporting cast. They have their own motivations, secrets, etc and watching Tsubasa interact with them and try to figure out who to trust is enthralling. Class outcast Akira and Arisa's best friend Mariko (as well as Tsubasa herself) are particularly intriguing. The author is very fond of twists and turns, but they are well done and logical. Volume 2 is a worthy follow up on volume 1 that raises the stakes and begins to show signs that this story has the depth to go for quite a while. Should be a great ride.

Tsubasa thinks that her pretty and popular twin sister, Arisa, has the perfect life. Everyone at school loves Arisa-unlike the hot-tempered Tsubasa, whose nickname is The Demon Princess. But when Arisa attempts suicide, Tsubasa learns that her seemingly perfect sister has been keeping some dark secrets. Now Tsubasa is going undercover at school - disguised as Arisa - in search of the truth. But will Arisa's secrets shatter Tsubasa's life, too? UNRAVELING SECRETS Who is the mysterious King controlling the class? Tsubasa pursues Akira Manabe, a troubled boy who might know the King's true identity. As Tsubasa closes in on Arisa's secret, the King makes another move! Includes special extras after the story!

"A well done mystery, a sophisticated story wrapped in sweet, sweet shoujo art." -Mangablog.net "The blend of wide-eyed shoujo story with encroaching personalized horror is well handled. 3.5 Stars out of 5." - ICV2.com About the Author Born January 27th in the Aichi prefecture of Japan, NATSUMI ANDO won the prestigious 19th annual Nakayoshi Rookie Award in 1994 for her debut, Headstrong Cinderella. Her other popular series include Zodiac P.I. and Kitchen Princess. Her hobbies include reading, watching movies, and eating delicious food. The author lives in Japan.
