Natsumi Ando : Arisa 3 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arisa 3:

0 of 0 people found the following review helpful. It was an okay series By Jude~3-3.5/5 I took a very long break from this series, but I have finally finished it. I really, really enjoyed Ando's Kitchen Princess series, and really wanted to like this one, but it was just a bit overdone and dramatic. Don't get me wrong, I didn't dislike this series. I enjoyed most

of the characters, and the art is really pretty. I would have enjoyed a bit more romance for Tsubasa, but overall I really appreciated the sister aspect. That's something that I think was really well done, and I liked that it was given the main focus. Overall, this story was about the two sisters, and how Tsubasa was there for her twin at all times, even when Arisa didn't deserve it. The ending for them as sisters, too, worked, and made me happy for them. The idea behind the King plot line I liked, and the reasons we were given for Arisa starting it, also worked. There was some depth given, or at least attempted. It was mostly the Midori part that didn't work for me. Midori went through some bad things, and that's why he is the way he is. Those things make sense to me. But how overdone his emotions for it all were, and then the way that it all turned around in the end to make him seem like a victim, just didn't work for me. Having him be the victim in a moment of horror twisted around, just seemed like a cheap ploy to have people not hate him. Arisa's feelings for him didn't work for me. The fact that no one actually ended up hurt in the end, didn't work for me. In the end, the only parts I liked were the sisters' relationship, and Tsubasa and her friends (from her original school). The rest of it was just cheesy and unrealistic. Overall, I'm a little disappointed with this series. I wanted more from it. But, still, I look forward to reading her next series to be released. [More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]

1 of 1 people found the following review helpful. 4.5 stars.... who is The King? By Jessie Potts Arisa Vol 3 went by really quickly. I felt like a lot happened, but there wasn't any action. Certainly not like the last volume. It was still really good and I'll tell you this, you finally meet the King. Tsubasa learns that anyone could be The King, Arisa's best friend, or Midori Arisa's boyfriend. Arisa is still getting notes from The King and Tsubasa is worried that her card might be up. The King also has a special session planned... only five people will win and their cell phones will contain the passwords to enter King Time and get their wishes granted... But Arisa's best friend is cast aside, Tsubasa hacks her password, and Midori refuses to enter a wish because he wants King Time to be over. Once you learn who the king is... I don't want to spoil it, but I'm really curious as to how that person became the King and what the connection is to Arisa. All in all it was a nice volume, the second one had more action and was darker, but this volume pushed the story along and we learned important things along with Tsubasa. Volume four is coming out Sept 6, which by the way is the date a lot of yaoi and manga come out so enjoy!

Tsubasa thinks that her pretty and popular twin sister, Arisa, has the perfect life. Everyone at school loves Arisa—unlike the hot-tempered Tsubasa, whose nickname is The Demon Princess. But when Arisa attempts suicide, Tsubasa learns that her seemingly perfect sister has been keeping some dark secrets. Now Tsubasa is going undercover at school—disguised as Arisa—in search of the truth. But will Arisa's secrets shatter Tsubasa's life, too?

IN THE SHADOW OF THE MOON Tsubasa's hunt for The King thickens when Arisa's class goes to a planetarium to watch an eclipse and The King makes a decree that turns the chosen against each other. Later, suspicion mounts on Midori, who asks Tsubasa on a date! Can Tsubasa save the day from The King, and protect the stars in her sister's sky from ill fates? Includes special extras after the story!

Selected as the "Best New Shoujo Manga 2010" by About.com: Manga A "Best Manga of 2010" pick by iFanboy.com "A well done mystery, a sophisticated story wrapped in sweet, sweet shoujo art." -Mangablog.net "The blend of wide-eyed shoujo story with encroaching personalized horror is well handled. 3.5 Stars out of 5." -ICV2.com
