**Ron Marz : Artifacts Volume 5 (Artifacts (Top Cow))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Artifacts Volume 5 (Artifacts (Top Cow)):

Great characters who really get into the action.0 of 0 people found the following review helpful. Five StarsBy Jonathan LovettBeautifully imaged.0 of 0 people found the following review helpful. Enjoyable, awesome artBy MattAwesome! Really like these characters.

Ron Marz and Stjepan Sejc deliver a great book! I'd recommend at least reading volume 4 before 5, but you don't need to read the first three to read this one.

Tom Judge knows the world around him is not the world that should exist. He also knows that Darkness bearer Jackie Estacado is responsible for perverting the universe. Tom is determined to confront Jackie to set things right, but first he will need Sara, bearer of the Witchblade, to back him up. Collects Artifacts #19-23.
