Eric Corbeyran : Assassin's Creed: Accipiter before purchasing it in order to gage whether or not it would be worth my time, and all praised Assassin's Creed: Accipiter:

3 of 3 people found the following review helpful. Nice ArtBy Yarrow10I have bought and read all three in this series, and I have played all the video games.I really enjoyed the artwork and the introduction of new characters. But even with all of that I still find the stories a bit hard to follow.Overall these books are a fun piece of AC lore for any fan of the games!0 of 0 people found the following review helpful. ... the rest will be hopefully bought fairly soon I LOVE

the series By Maureen 46 Now I need book #5 and after that the rest will be hopefully bought fairly soon I LOVE the series. 0 of 0 people found the following review helpful. Five Stars By alp Great book. Don't miss it

The third in a trilogy of lavishly illustrated graphic novels set in the Assassin's Creed universe. Plunging in his genetic memory, Desmond acquires new skills, Desmond. In the Animus he sees Aquilus seeking revenge for his father's murder. His thirst for revenge will lead him to Rome and the quest for the stolen Ankh. Meanwhile, a horde of Barbarians, led by assassin Accipiter, attacks Lugdunum on their way to Italy.

About the Author For more than twenty years Eric Corbeyran has written successful bande dessinée scripts. Boundless curiosity and fascination for varied art-forms have led him to explore a multitude of stories with a deft and dramatic touch. Having developed many successful projects with Eric Corbeyran, Djillali Defali now turns his dramatic and realistic style to the detailed authenticity of the world of Assassin's Creed.
