Antony Del Col, Connor McCreery : Assassin's Creed Volume 2: Setting Sun before purchasing it in order to gage whether or not it would be worth my time, and all praised Assassin's Creed Volume 2: Setting Sun:

1 of 1 people found the following review helpful. I definitely enjoyed this one more than I did Trial By Fire By Brittany H. I definitely enjoyed this one more than I did Trial By Fire. Still very fast paced but that's to be expected in AC, I guess. Sh*t hits the fan quickly. Galina is still annoying but I'm beginning to understand her! Char is still my fav in this one but I was totally feeling her ancestor Guila!!!! I loved her! I just love that these feature female assassins,

especially women of color!!Also, not sure where the story is going but I'm enjoying these so much I'm going to continue them. Talk about about a cliffhanger, by the way!

The critically acclaimed comics from the award-winning Assassin's Creed franchise! Charlotte De La Cruz is in way over her head. With the realization that she is now deep in trouble with the Templars, her only hope is to unravel the mystery of what they want from her... and to do that she needs the Animus. Diving into the memories of her Inca ancestor, Quila, she is desperate for a clue, a link, anything that might point towards a little more... knowledge.

"Neil Edwards' art is as superb as ever, giving a strong visual flow" - Nerdy"A good read" - Xbox Hub "Good characterisation, good fight scenes and excellent art" - The Book, The Film, The Shirt "The paranoia and conspiracy of the game translate well" - Pop Culture UncoveredAbout the AuthorAnthony Del Col has worked in the music, film and television industries, produced two independent feature films and most recently assisted with the management of international pop star Nelly Furtado and her world tour.
