Kim W. Andersson : Astrid: Cult of the Volcanic Moon before purchasing it in order to gage whether or not it would be worth my time, and all praised Astrid: Cult of the Volcanic Moon:

She was the Galactic Coalition's top recruit until an incident on her final exam had her drummed out of the service. Now, down and out and looking for another shot at her dream, Astrid receives a special mission from her former

commander. Alongside her old classmate Ulf, Astrid will have to survive giant insects, brutal sects, and the ancient evil of an uncharted volcanic moon if she wants to prove herself worthy of another chance at becoming a Galactic Peacekeeper! Swedish comics creator Kim W. Andersson (The Complete Love Hurts, Alena) weaves a comedic sci-fi epic for fans of Firefly and Mass Effect! Hold on to your butts!

About the Author Kim W. Andersson a Swedish comic book artist and the creator of the romantic horror comic Love Hurts.
