0 of 0 people found the following review helpful. Five StarsBy Norbert BehrEverything was to my complete

satisfaction.

It was the heat of the Cold War, and World War III was due any time --- so the comics tried to imagine what it would like! Both interesting and terrifying, ATOMIC WAR (1952-1953) played on the fears and the fascination of Americans, and brought colorful action with the warning, Only a strong America can prevent ATOMIC WAR! You get this great 4-issue series plus: ATOMIC ATTACK #5-8 (FULL SERIES) ATOM AGE COMBAT #2-3 (FULL SERIES) BATTLE SQUADRON #1 RARE COMICS CAN BE HARD TO FIND IN EXCELLENT CONDITION. These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Many people enjoy these authentic characteristics. If you are not entirely happy, please contact us for exchange or refund at any time!
