He is dyslexic and graphic novels like this are easier to read. He told me in the few weeks he has been reading them his speed has increased significantly and he is reading harder

words more easily even in regular print books.0 of 0 people found the following review helpful. I love it! Keep the stories comingBy Unique McKibbensThese book series are really enjoyable and for us who have been loving the world of Avatar since the beginning. As a fan I knew there was a lot of stories that bridge the gap between Aang and Kora and I wanted to know what was the healing process after the 100 year war and each nations response to it. So thank you and I hope we can keep the stories going all the way until we are made current with Kora.0 of 0 people found the following review helpful. Interesting storyBy TrishaLove the story. I hope they continue making more comics following the original crew.

Fire Lord Zuko and Earth King Kuei arrive in the Southern Water Tribe amid protests of Gilak's imprisonment. While the leaders hold council to solidify Malina and Hakoda's unification plans, Gilak breaks free and leads a powerful rebellion! In the face of these two opposing tribes, Katara will have to make peace with her nostalgia and distrust to save the home she loves from being permanently torn apart. Written and drawn by the creative team behind the best-selling *The Search*, *The Rift*, and *Smoke and Shadow*, Gene Luen Yang and Gurihiru, in collaboration with Avatar: *The Last Airbender* and *Legend of Korra* creators Michael Dante DiMartino and Bryan Konietzko, this is the ultimate continuation of Avatar and the perfect companion to *Legend of Korra*!

About the AuthorGene Luen Yang began making comic books in the fifth grade. He has since written and drawn a number of titles. His 2006 book, *American Born Chinese*, was the first graphic novel to be nominated for a National Book Award and the first to win the American Library Association's Michael L. Printz Award. It also won an Eisner Award for Best Graphic Album - New. His 2013 two-volume graphic novel, *Boxers Saints*, was nominated for both the National Book Award and the LA Times Book Award. Gene currently writes the graphic novel continuation of the popular Nickelodeon cartoon, *Avatar: The Last Airbender*. *The Shadow Hero*, his comic book series with Sonny Liew, revived the Green Turtle, an obscure 1940s character who is arguably the first Asian American superhero. *The Shadow Hero* is now available as individual digital issues via Kindle.
