Collection. Under Siege is my favorite storyline regarding the Avengers. The pages look great and it has a few extras that fans might enjoy. This one is way cheaper than the out of print versions and looks way better. Highly recommend. 0 of 0 people found the following review helpful. The Masters of Evil take Avengers Mansion! In one of the greatest comic book epics of all time, Baron Zemo strikes at the very heart of the Avengers, as he leads a revamped and larger-than-ever Masters of Evil in an attack on the team's home -- and wins! And as if that wasn't enough, Earth's Mightiest Heroes must survive the climax of Secret Wars II and a battle for the ages between Kang and Immortus! The Sub-Mariner's membership leads to public protests, but that won't stop the Avengers and Alpha Flight from lending a hand during Attuma's assault on Atlantis. Meanwhile an old friend turns enemy: What's gotten into Quicksilver? Two teams of Avengers will assemble to find out! COLLECTING: AVENGERS (1963) #264-277, ALPHA FLIGHT (1983) #39, AVENGERS ANNUAL #15, and WEST COAST AVENGERS ANNUAL #1 (AVENGERS EPIC COLLECTION VOL. 16) Written by Roger Stern, Bill Mantlo, Danny Fingeroth Steve Englehart Penciled by John Buscema, Dave Ross, Steve Ditko Mark Bright

"Roger Stern and John Buscema's 1986 story arc 'Under Siege' finds Avengers Mansion under attack by a new Masters of Evil, leading to one of the purest superhero-vs.-supervillain team fights ever put on the page. Fans of this story will want to check out more of Stern's run, which is a straightforward superhero book that absorbs just a tiny bit of the grim-and-gritty comic-book movement of the late '80s." -- Oliver Sava, A.V.Club.com Number One on Comic Book Resources' Poll of the 50 Greatest Avengers Stories!" A brilliant example of sub-plots simmering to the point of boiling over in an explosive succession of issues ... likely [to be] remembered as Stern's masterpiece." -- Brian Cronin, comicbookresources.com "I really loved the Roger Stern/John Buscema run on The Avengers. This was truly the wide-screen type of action that the team is so well suited for. I still remember being rocked by the battle with The Masters of Evil and hope to see the Siege on Avengers Mansion storyline make it to the big screen one day." -- Ross Pearsall "Stern, and to an extent artist John Buscema, does his best here ... to show how it's done in a simple, concise and powerful manner. There is absolutely no doubt that it worked ... Avengers: Under Siege has become the go-to story when it comes to one good team vs. one evil team. Even now, twenty-five years later, it is referred to and copied over and over." -- Chris Marshall, Collected Comics Library "A classic story in every sense of the word, there can be no doubt that Under Siege is the Greatest Avengers Story of All Time." -- Scott Harris "Thanks to Stern's strong characterization and dramatic plotting, this is one Avengers arc you won't soon forget." -- Jesse Schedeen "These issues are hailed by many as the greatest Avengers story of all time. It featured the best super-hero work of John Buscema's career. And nobody writes Janet Van Dyne like Roger Stern. Roger writes each character--even the villains--with distinctive voices, and he clearly loves his subjects. It's this kind of character work, folded into a great, smash-and-bash storyline, that epitomizes everything great about Roger Stern." -- Ethan Kalett "One of the all-time great Avengers stories -- nice and dramatic, highly emotional, and it ultimately led to some major repercussions for the team." -- Blake Petit "One of the greatest superhero/supervillain battles ever, and of course given the success of the Avengers movie, this would make a great follow-up...but it's just too expensive to ever make into a live action film." -- Dankwa Brooks "Under Siege was possibly Roger Stern's best arc on the book. It took a lot of chances with the narrative ... an amazing volume that any fan of the series should have." -- Brian Poole About the Author Roger Stern has written for radio, television, the stage, and the Internet, creating scripts for everything from sketch comedy to flash-animation. For ten years, he was the senior writer of the Superman series for DC Comics. Stern has written hundreds of stories about such diverse characters as Green Lantern, Supergirl, Starman, the Atom, and the Justice League for DC Comics; and Spider-Man, Captain America, Doctor Strange, the Incredible Hulk, Iron Man, and the Avengers for Marvel. His first prose novel, The Death and Life of Superman, was a New York Times bestseller.
