Nick Spencer, Al Ewing, Gerry Duggan, Mark Waid : Avengers: Standoff before purchasing it in order to gage whether or not it would be worth my time, and all praised Avengers: Standoff:

7 of 7 people found the following review helpful. This Is One Of The Best Marvel Events That I've Seen In A While By Ron Price It was not over-complicated. It flowed well with all the tie-ins and was quite easy to understand. I enjoyed seeing many of the new hero teams in the Marvel Universe such as the Uncanny Avengers, the Illuminati, the New Avengers, Agents of SHIELD. This book helped me to get a better idea of some of the new character rosters and how they work. I also enjoyed seeing many of my favorite villains all in one book such as the Brothers Grimm, the

Trapster, Graviton, The Red Skull, Moonstone, etc.... This was a fun read and I definitely recommend it to Marvel fans especially to ones who are trying to learn more about the current teams...4 of 4 people found the following review helpful. Avengers Assemble!!By Ronault D. TrowbridgeI really loved this crossover, featuring the return of a robust Steve Rogers the set up of his new status quo. It was also great to see the return of Rick Jones, back as a human not a blue Hulk / Abomination. More villains to throw a shield at, the great Baron Zemo also makes a great comeback kicks the story off in style. A very cool creative collaboration, especially the art. I would recommend this to anyone, who loves a great Avengers story. Reminds me a bit of Roger Stern's "Under Siege" epic.0 of 0 people found the following review helpful. Better than I thought it would be.By BrianGotta say, I was surprised by this one. I didn't have high hopes and I didn't know anything about it. I'd heard it was ok and the price was right, so I figured what the hell. The plot was a breath of fresh air from Marvel these days. I don't want to spoil what it was about, if you don't know.However, there was definitely some wasted space in this book. The New Avengers and Agents of SHIELD issues were pretty pud. I ended up skipping them and it didn't impact my understanding of the story at all. I think they were just included to boost their own sales and pad out the page count on this collection. Everything else was pretty great, though.

On his 75th anniversary, Captain America is about to face a challenge unlike any other. Prepare for an assault on...Pleasant Hill! Three shield-wielders past and present - Steve Rogers, Bucky Barnes and Sam Wilson - find themselves in a standoff, with high and very personal stakes. And this tense conflict quickly escalates out of control, drawing in several Avengers teams! But it all begins in the small town of Pleasant Hill. An idyllic community with friendly neighbors...and a terrible, dark secret. What is going on behind Pleasant Hill's closed doors, and how will Captain America react? COLLECTING: WELCOME TO PLEASANT HILL PROLOGUE 1, ASSAULT ON PLEASANT HILL ALPHA 1, AGENTS OF S.H.I.E.L.D. 3-4, UNCANNY AVENGERS 7, ALL-NEW, ALL-DIFFERENT AVENGERS 7-8, NEW AVENGERS 8-10, CAPTAIN AMERICA: SAM WILSON 7-8, UNCANNY AVENGERS 8, ILLUMINATI 6, HOWLING COMMANDOS 6, ASSAULT ON PLEASANT HILL OMEGA 1
