One by one, the realities of the multiverse have collided and been destroyed, leaving the Marvel Universe as one of the last dimensions standing. Now Jonathan Hickman's cataclysmic saga jumps forward eight months, to the day of the Final Inursion - and the

astonishing climax! After the revelation of the Illuminati's desperate, world-shattering actions, the Avengers are fragmented. While one group seeks out the Illuminati for a confrontation, another takes the fight to the new Cabal!
