This is the prime team with biggest names and hitters instead of what Marvel used the team for in years past.Incredibly detailed art and the story core works. Just feels like it's creating a looming threat of nothing specific really.1 of 1 people found the following review helpful.

AwesomeBy AlexThis storyline is amazing. I recommend following it since the beginning. Great graphic novel2 of 2 people found the following review helpful. Five StarsBy Joshua GutierrezHickman. Enough said.

The Avengers scramble to deal with the threat of another Universal System as the New Adam's true self is revealed - and the most dangerous hero on Earth is created! As the team faces the World Breaker and discovers the imminent threat to the Avengers World, the hidden connections between the events of Avengers and New Avengers are slowly revealed. What good is a White Event if it destroys the planet it was meant to transform? Plus: Canadian super-team Omega Flight gets lost in a Garden Origin Site, and the Avengers learn why "adaptation" is the scariest word in the Marvel Universe! Then, as Shang-Chi battles an ancient enemy, the Avengers...hang out in Hong Kong's swankiest casino? But when AIM arrives, they soon find out it doesn't pay to gamble in the spy business! COLLECTING: AVENGERS 7-11
