Fun for All AgesBy Nicola MansfieldA fun all-ages comic with doses of humour and superhero action. Baltazar Franco are an amazing team-up and everything they do together is distinctive with the art being a comic joy. This is presented in a series of shorts

from one page to several pages long. The stories all go together but there is no real running plot and there are time-outs for jokes and silly things. There are many cat heroes and villains to meet including Action Cat Bug plus their female counterparts (Action Cat Bug), Evil Cat Ghost Bug, Zombie Cat and Frankenbug plus a host of other non-cat heroes and villains. Personally I found it a bit much reading this all together in one big collection and think it would be better taken in the smaller doses of the comic books which are up to issue #9 as of Feb 2015. This would make a great subscription for kids looking for something all ages appropriate.
