Hinako Takanaga : Awkward Silence, Vol. 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Awkward Silence, Vol. 3:

So cuteBy Jude~4/5[More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]This volume had a lot of the second, not as important to me, couple in this series, Yuji and Kagami. They are fun to watch, though. Yuji is very distant, putting up a rude front, and Kagami is very forceful and pushy and flirty. Satoru is trying to push them along, trying to be a nosy, but good friend. And Tamiya is helping him do that, being a good boyfriend.Satoru and Tamiya are so cute together, I love them.

Satoru's inner monologue is so adorable and hilarious and so full of feeling. Tamiya is getting to know him so well, and he's such a sweet boyfriend to him. The other two are growing on me, but Tamiya and Satoru are still my favorite. Then there's Satoru's parents. I just love his mom, who is so like him, and so nosy, and gets along with Satoru so well. She showed up quite a bit in this volume, and I just want her to show up more, because she's awesome. Also, I'm not sure how much she knows about Satoru, or Yuji, being gay. I love this series, honestly. The releases are very slow, because we're pretty much caught up with Japan and I don't know how fast it's released over there (apparently not very?). The next volume is coming out next month, and I am looking forward to its arrival. 0 of 0 people found the following review helpful. loved how secured it was By Holly Horton I really like this manga a lot and have been wanting it for sometime so I ordered it. and it got to me so quick, and it also was perfectly secured in a box in something else and then it even had a plastic like thing on it. making it really safe, I feel very happy that I bought this. 0 of 0 people found the following review helpful. Pretty good By Seva It was pretty good but I wished it would have been a little more detailed. Yuji needs to be more open and accept Kagami's affections. And of course it's censored

Yuji Sagara has enough worries already trying to find a part-time job to pay for college while his mother is in the hospital, so he's not happy that Takahito Kagami is adding to his troubles. Kagami is an incorrigible flirt, and all the girls on campus are after him, so why would he steal a kiss from Yuji...? Reads R to L (Japanese Style) for mature audiences.
